

September 2008

Dear Sponsor:

Each year the Girls Soccer teams at Florida State University Schools continue to strengthen and grow. We are proud of the District 3A Championship won by our varsity team, and for two years our junior varsity has won their division at the Timberwolf Classic Invitational Tournament. Not to be left out, our middle school team broke program records last season.

The coaches, players and families are preparing for the upcoming 2008/2009 season. As with any successful program, financial support is always needed to help our teams achieve their goals. It is in this regard that we contact you to seek sponsorship.

By becoming a sponsor of the FSUS Girls Soccer program, your company's logo will be printed on a banner that will hang on the fence at our playing fields. Just think, your company's logo being viewed by residents and businesses of Leon, Jefferson, Wakulla, Gadsden, Taylor, Liberty, Madison, Franklin, Hamilton, Jackson, and Bay counties. The attached form has additional details.

Please become a sponsor today. Sponsorship with this wonderful advertising opportunity is only \$250.00 for the first year, with a renewal of \$150.00 for each following year. Other contributions, monetary donations or donations of goods or services are also greatly accepted and acknowledged in our printed programs.

Sponsorship is a tax-deductible opportunity for your business to show support of today's young women. Participation in soccer provides many positive experiences, both on and off the playing fields. If you have any questions or require additional information, please feel free to contact Rita Williams at (850) 545-7238.

Thank you for your support of the girls' soccer program at FSUS a/k/a Florida High!

Sincerely,
